

Wycombe Wanderers Supporters Trust - Women's team board report

April 2024

Women's team join forces with WW Foundation:

Wycombe Wanderers Foundation (WWF) is delighted to announce a landmark partnership with the Wycombe Wanderers Women (WWW), solidifying their commitment to community development and women's football in High Wycombe.

This collaboration marks a significant step forward in the journey for both organizations, as we combine our expertise and resources to create new opportunities for women and girls in football and community engagement initiatives.

The partnership aims to enhance access to facilities, coaching and development programmes via the Foundation for women & girls across High Wycombe & Buckinghamshire. By aligning our shared goals and resources, WWW and WWF seek to empower women & girls by fostering a culture of inclusivity, diversity, and excellence both on and off the pitch.
